ABOUT US

The college of nursing, Sri Ramakrishna Institute of Paramedical Sciences was established in 1986 by S.N.R Sons Charitable Trust to promote quality in nursing education. It is the first self financing nursing college in Tamil Nadu. The college has grown since then and it has set the benchmark in the field of nursing education. Today the college is one of the premier institutions in nursing and offers courses with five specialization in master degree and doctoral programme.

The college is attached to Sri Ramakrishna hospital which is 1000 bedded multi speciality parent hospital with highly updated Medical technologies.

ABOUT THE CONFERENCE

Forensic nursing is the fastest growing nursing speciality in the 21st century. They provide an important connection between healthcare and the criminal justice system. They form a bridge between the victim and the justice. This forensic nursing conference offers a dynamic platform for the nurses to converge and advance their knowledge in forensic nursing practice. It also serves as a nexus for education and innovation focusing on the intersection of nursing and the legal system. Attendees can expect presentation led by experts and practitioners.

OBJECTIVES

- Ensure nurses comprehend the breath and depth of forensic nursing practice, it's scope and standards.
- Increase awareness about psychological impact of crimes against men, women and children.
- Recognise the critical role of nurse in evidence collection, preservation, analysis and reporting of samples in forensic examination.
- Value the responsibilities of a nurse in handling medico legal cases in the clinical setting.
- Highlight the contemporary issues and discuss common challenges in forensic nursing practice.
- Promote understanding of the Indian judicial system, legal framework and ethical considerations guiding forensic nursing.

WHO CAN ATTEND?

- Nursing faculty
- Nurse Educators
- Registered Nurses
